

CSC311 Theory of Computation (Fall 2020)
Homework 3
Due Date: Wednesday, September 23, 2020

Submit the following problems on separate pages, one question per page, in the order of the questions. **Your presentation should facilitate easy reading and understanding. Your answer submission must be in PDF or docx format and should be in the order of the questions in a linear top-down fashion.** No handwritten work would be accepted. Any out of order answer will be skipped. Points will be deducted if the submitted work is not to abide by this standard.

HW#3: 2.1.2 -- **by Regular Expression** (not informally by English)
2.1.3

Below are suggested list of the ones that you should also try.

2.1.1
